REQUIREMENTS

Every Scout and one parent (legal guardian) must work during a patrol's shift. A grandparent or adult sibling may substitute for a parent.

Adults must check in/out with the Coordinator.

The Patrol Leader must contact his patrol to remind them of their shift time. If a Scout is unable to work his assigned shift, he must arrange with another Scout and parent to trade shifts, and advise his Patrol Leader.

Be at least 15 minutes early for your shift to ensure a smooth transition, and check in with your Patrol Leader.

Only adults may prepare and cook food. Scouts are not allowed in the kitchen except to serve our guests.

Scouts must follow the Scout Oath and Law with a special emphasis on being clean and cheerful. You represent Troop 74 and the Boy Scouts of America!

Thanks very much for your support.
